# AMERIGUARD® 85W-140 GL-5 Gear Oil for Limited Slip

## Gear Oil Products

**AMERIGUARD® 85W-140 GL-5 Gear Oil for Limited Slip** uses the latest technology to exceed API and OEM specifications and deliver exceptional value. You and your vehicles work hard for the important things in life. Trust high-quality AMERIGUARD® Lubricants by Sapp Bros. to protect engines and your investment -- at an excellent value. This gear oil is formulated to provide the following features and benefits:

- Superior protection against wear, especially under extreme pressure and high torque operation.
- High resistance to thermal breakdown.
- Helps prevent foaming, rust, and corrosion.
- Smooths and quiets operation.

### Industry/OEM Specifications

API GL-5	Meets Requirements
Limited Slip	Suitable for Use
SAE J2360, MIL-2105E/F	Suitable for Use

### Typical Properties

Brookfield Viscosity at -26°C, cP	ASTM D2983	118,000
Color	ASTM D1500	3.5
Flash Point °C	ASTM D92	265
Flash Point °F	ASTM D92	509
Gravity, °API	ASTM D287	26.58
Pour Point °C (°F)	ASTM D5950	-18°C (-0°F)
Specific Gravity @ 60°F (15.6°C)	ASTM D4052	0.8951
Viscosity @ 100°C cSt	ASTM D445	25.38
Viscosity @ 40°C cSt	ASTM D445	335.3
Viscosity Index	ASTM D2270	98
